Michael Street Parking Deck

Claudia Nance Rollins (CNR) is the newest addition to the Emory campus. It is located at 1518 Clifton Rd NE, Atlanta, 30322. Clifton is the main thoroughfare through the Emory campus.

The closest free parking is in the deck behind the building. You get there from Clifton Rd. by turning downhill at the light at Houston Mill Rd. and then left at your first chance onto an access road (Rollins Way). Use the first (staff) parking entrance, the gate arm goes up after 4:00pm.

From there walk across the street to the first building on your left -- a low stone wall in front of it says "Rollins School of Public Health." Come in through the double glass doors; pass thru the lobby to the elevators. The Klamon Room is on the 8th Floor.
